

# Anchorage Fire & EMS Middletown Fire Proposed Merger

## Current Operations

1. Anchorage operates

2 ALS 24 hour ambulances

1- 2 man 24 hour fire engine

NFPA recommends 4 man fire engine.

2. Ambulance operates under a CON mutual aid agreement with LouMetroSafe who dispatches the nearest available ambulance.

3. Anchorage EMS makes about 3500+ transports/yr.

4. Revenue

Fire tax \$.10/\$100 \$500,000

Ambulance tax \$.085/\$100 \$475,000

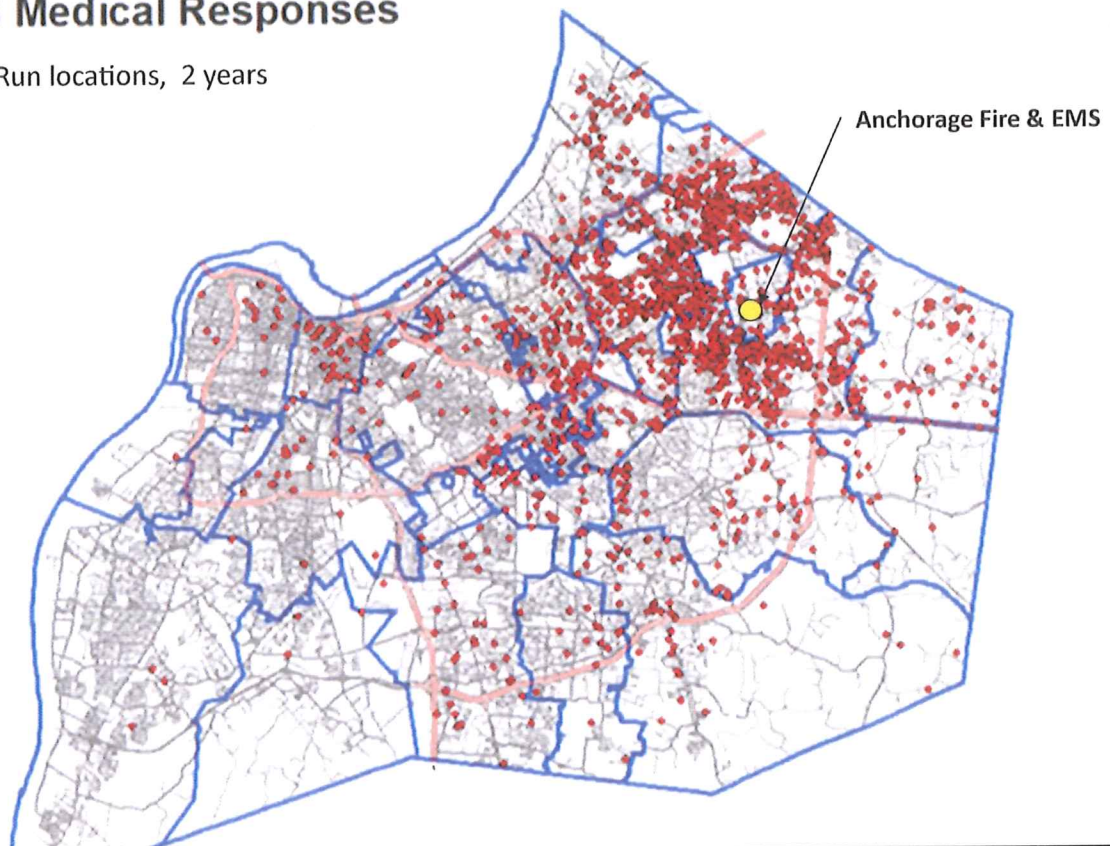

Ambulance Run revenue \$1,100,000 (55% of total).

Ambulance collects about 46% of billing, due to write downs, low and non payments.

5. About 80+% goes for staff expenses, and profit is low.

## AF&EMS Medical Responses

Anchorage Run locations, 2 years

# Anchorage Fire & EMS Middletown Fire Proposed Merger

## *Anchorage Middletown Fire & EMS*

1. Middletown Fire District totally surrounds Anchorage
2. The new district will include:
  - 4 fire houses, staffed with
    - 1 ALS 24 hour ambulance
    - 1 4 man Fire truck
3. Anchorage Firehouse will always remain, only firehouse north of RR tracks. All firehouse community connection and participation will continue.
4. Increased consistent levels of availability, service, staff quality, and operations.
5. Financial stability and security, total revenue over \$11,000,000.
6. Reduce dependence on run revenue, (15% of total down from 55%)
7. Reduced Anchorage taxes from \$.185/\$100 to \$.15/\$100
