FROM THE FORESTRY BOARD

CANOPY CAMPAIGN

Thank you to residents who have participated in the 2017 fall tree campaign! Tree-location flags, pre-ordered tree guards, and procedural information will be delivered to you in early November. Shortly thereafter, BUD will mark utilities in your yard. We hope to have the trees planted before Thanksgiving, weather permitting. You will be informed by email or phone as information about scheduling becomes available. If you have questions, or if you will be out of town between Nov. 1 and Thanksgiving, or if your flag goes missing after you have placed it in your yard, please call Nancy Wilkinson (502-376-8527) for assistance.

TREE GUARDS

Residents are strongly urged to obtain tree guards to prevent damage to their trees by deer, lawn equipment, etc. Deer are often especially intent on rubbing their antlers on tree bark from early fall to winter. Guards are available at City Hall for \$4 each (cash or check only, please).

HARVEST FOR HOPE FESTIVAL AT USPIRITUS

Forestry Board members, with help from Anchorage Garden Club volunteers, offered a "Craft Corner" for children at the Harvest for Hope Festival on the Uspiritus' Bellewood Campus. Children enjoyed painting leafy trees, constructing "leaf people," and stringing orange beads to make pumpkin bracelets.

THE 2017 FORESTRY BOARD CALENDAR IS NOW A PLANNER!

The annual Forestry Board calendar -- now in planner format -- was distributed at AnchorFest. If you did not receive yours, please stop by City Hall to pick it up.
